

How **you** can make a difference in 2019!

As a Kentucky non-government funded grassroots organization, Second Chances Wildlife Center operates solely on the generosity of supporters. Our mission is to foster compassion, conservation, and environmental stewardship through education and wildlife rehabilitation. We fill a critical niche in our community.

Please look over our varied sponsorship levels and decide which one speaks to you. 2019 sponsors will be listed February 28 and receive benefits for one year. Please don't hesitate to call or email with any questions.

Thanks in advance for your time and consideration. Looking forward to exploring ways we can work together!

Sincerely,

Brigette Brouillard
Founder and Executive Director
Brigette@SecondChancesWildlife.org

which sponsor are you?
